Grant monies will be awarded on a "first come, first serve" basis, with an annual grant cycle of January 1st to December 31st. Grant applicants must be an Academy of Geriatric Physical Therapy (AGPT) member.

The Academy will award a total grant amount of $1000 as seed money to fund the Candidacy fees for a Geriatric Residency or Geriatric Fellowship Program Application per funded year.

Application Process

In order for a geriatric physical therapy residency or fellowship program to be considered for an accreditation application grant, it first must have applied for and obtained Candidate status by the ABPTRFE. (See website for details regarding the application process).

The geriatric residency or fellowship program will submit the grant application to the Academy of Geriatric Physical Therapy Executive Office within 45 days after successfully achieving Candidacy status by ABPTRFE. A copy of the letter awarding candidacy status to the program should be attached to the application.

The Academy of Geriatric Physical Therapy Executive Office will confirm the program’s candidacy status and will send the geriatric residency or fellowship program $1000 (based on fund availability). This will occur for the first qualified program to apply each calendar year.

GRANT APPLICATION DEADLINE: This will be a rolling application process and awards are dependent on funding that is availability.
