

Academy of Geriatric Physical Therapy presents

Advances in Exercise for the Older Adult: A Two Day Lab/Lecture PTA Focus Course

Date, Times & Location

Date: June 7-8, 2019

Times: 8 am - 4:40 pm both days

Location: St. Catherine University- 2004 Randolph Avenue, St. Paul, MN 55105

Audience: A course specifically designed for the PTA who works with aging adults!

Spaces are limited so register early!

Registration priority will be given to St. Mary's Junior College/St. Catherine University alumni until Feb. 1, 2019. The first 36 alumni to register will be given a discount of \$100 (total cost \$300).

This two day lab/lecture course will focus on the Physical Therapist Assistant's (PTA) use of exercise as an advanced rehabilitation intervention for the aging adult. Several common functional outcome measures will be actively performed by participants or demonstrated by instructors. The physical stress theory regarding proper exercise intensity will be presented. PTAs will learn how to utilize this concept in exercise programs for aging adults, as indicated by the physical therapy (PT) plan of care (POC), for aerobic conditioning, balance, gait, and strength training.

Following the course on Saturday, St. Catherine University will be hosting a free reception celebrating the 50th anniversary of the PTA and St. Mary's/St. Kate's place in history as one of the first two PTA programs in the country. All alumni, PTAs from other programs, and non-PTA friends of the program are encouraged to attend!

REGISTRATION FORM
