

Academy of Geriatric Physical Therapy

PARTNERS PROGRAM

Health care concerned with the aging population is a rapidly growing specialty in physical therapy. The Academy supports those PTs, PTAs, and PT/PTA students that work with an aging population in roles of advocacy, direct patient care, consultation, supervision and education. With more than 5,200 current members, the Academy is one of the fastest growing sections of the American Physical Therapy Association (APTA.)

*Come partner with us
to further our members ability to provide
best practice physical therapy and to
advocate for optimal aging!*

Who is Eligible for Partner Status?

International physical therapy professionals, other American professionals not eligible for APTA membership, industry partners and members of the public are encouraged to join as Partners of the Academy. When you join the Academy, you will join an active network of physical therapy practitioners, educators and researchers dedicated to the advancement of evidence-based physical therapy in order to improve care and quality of life of aging adults.

Become a Partner of the Academy of Geriatric Physical Therapy

As a Partner of the Academy you will receive the following benefits according to the level that suits your needs:

BRONZE LEVEL (Free)

1. Geriatric PT list-serve, a Yahoo group with active, contributing professionals in the field of geriatric rehabilitation.
2. Access to the Geriatric Clinical Specialist (GCS) Resource List and opportunities to network with GCSs.

SILVER LEVEL (\$25)

All of the BRONZE Level benefits PLUS:

1. Membership in up to three Special Interest Groups (SIGs) with access to each newsletter and invaluable website resources. SIGs include:
 - Residency/Fellowship
 - Cognitive and Mental Health
 - Balance and Falls
 - Bone Health
 - Health Promotion and Wellness

GOLD LEVEL (\$50)

All of the BRONZE and SILVER Level benefits PLUS:

1. An annual print subscription to the Journal of Geriatric Physical Therapy (JGPT), a quarterly journal listed in MED LINE, offering research articles, critical reviews, case reports and special interest papers that contribute to the development and effective use of geriatric physical therapy.
